New York Dental Meeting 2004

The Greater New York Dental Meeting proudly invites you to attend its 80th annual session. There is no registration fee if you purchase one full-day or two half-day seminar or workshop tickets and preregister.

In 2003, the Greater New York Dental Meeting attracted more than 40,000 attendees. People traveled to New York City from all of the 50 United States and its territories, as well as from 76 foreign countries.

In 2004, the Greater New York Dental Meeting will offer its largest continuing education program with clinicians presenting the most current information.

Presentations will address all of the important topics in dentistry ranging from research to practical utilization in clinical settings. The many formats for these courses include seminars, hands-on workshops, interactive live broadcasts, essays, projected clinics and table demonstrations.

Hundreds of dental manufacturers and dealers in over 1,400 booths will showcase the newest products and services that the dental industry has to offer. The Greater New York Dental Meeting is highly regarded as one of the most influential dental expositions in the United States.

Representatives of the U.S. Department of Commerce, along with multilingual personnel, will be on hand to assist and encourage interaction among exhibitors and our international guests.

Attendees can enjoy cultural, sporting and social events. New York City offers something for everyone, especially during this spectacular holiday shopping season.

Be part of the 2004 Greater New York Dental Meeting and enjoy all that this most fabulous metropolis has to offer. Bring the entire family.
